

Welcome to Y11 Settling in Evening

Thursday 3rd October 2024

Our School Prayer

We bless you our most high God and Lord of mercy

We pray that you would bless each one of us this day.

Give us **inquiring minds and discerning hearts.**

Give us **courage to persevere** in all we undertake.

Give us the **gift of joy and wonder** in all things.

Give us **laughter and love** to share with others.

Give us **protection and safety** in all that we do.

And give us sure and **certain knowledge of your unfailing love.**

Glory to the Father and to the Son and to the Holy Spirit both now and forever and to the ages of ages.

Amen.

Aims of this evening

To revisit our procedures & expectations as we work in partnership

To give you information on key dates and events throughout Y11

To offer support with any IT issues that you may be having.

To outline the key information required from core subjects and Heads of Departments

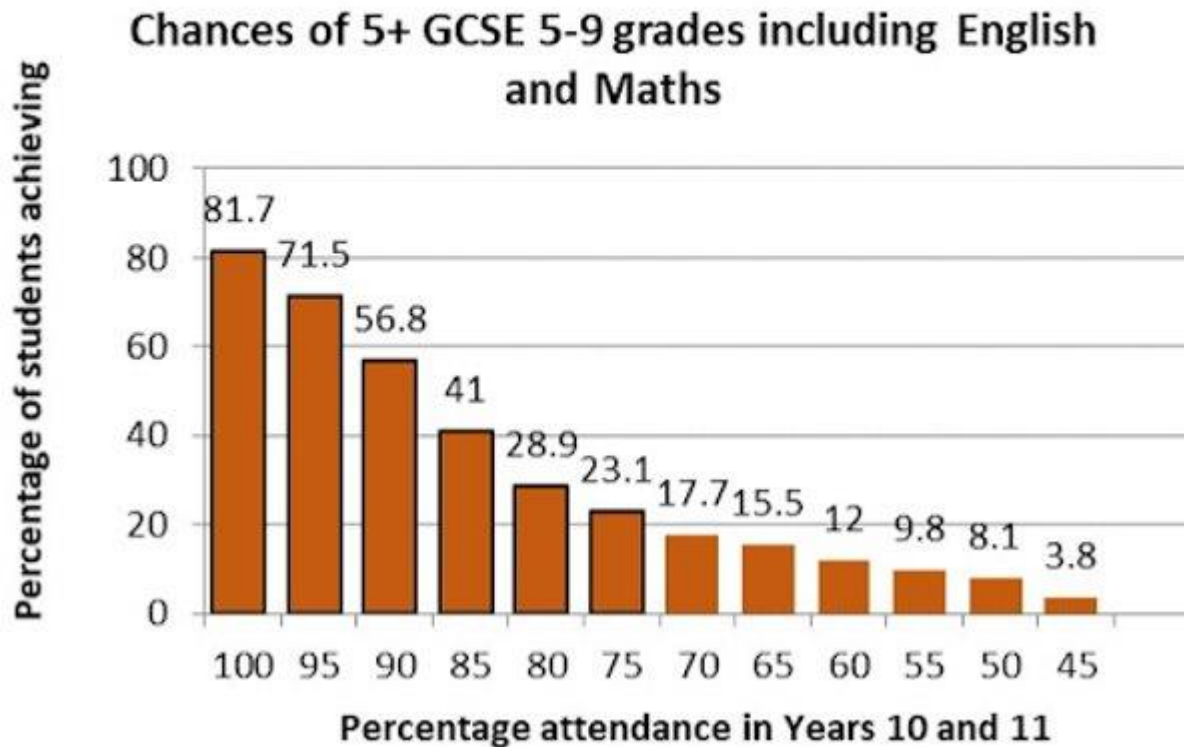

To give you the opportunity to ask questions / clarify misconceptions

A positive start to the year

High Expectations - Attendance

Evidence from a Department for Education study shows a strong correlation between school attendance and GCSE success. The chart below illustrates this:

The Department for Education shared this graph.

It shows that as attendance drops from 100% - 90%, students' chances of achieving 5 GCSE's grade 5 and above, which include Maths and English reduce by **24.9%**.

Attendance is essential.

Punctuality is equally as important.

Form Time Schedule

Schedule

Monday: Root Word/Attendance/Reading

Tuesday: GCSE Maths Revision

Wednesday: Assembly (led by HoY / SLT)

Thursday: GCSE Science Revision

Friday: The Day Article

Punctuality is important because students see their tutors every day.

Their tutor is their main point of contact for all pastoral issues, support and guidance.

They get 125 minutes of tutor time a week. Students complete targeted intervention / work in at least 3 tutor times each week. This is an additional 75 minutes of revision each week, which is 2250 minutes this academic year.

High Expectations - Behaviour

BE KIND AND COMPASSIONATE TO ONE
ANOTHER, FORGIVING EACH OTHER,
JUST AS IN CHRIST GOD FORGAVE YOU.

EPHESIANS 4:32

One of our school values is forgiveness.

We practice this every day.

When your child is removed from a lesson, they have disrupted learning *at least three times*. Students get a caution, then a final warning and only on their third infringement of the behaviour policy are they asked to leave.

We need to work together, collaboratively to support your child in getting it right so that they receive disruption free learning, every minute of every lesson.

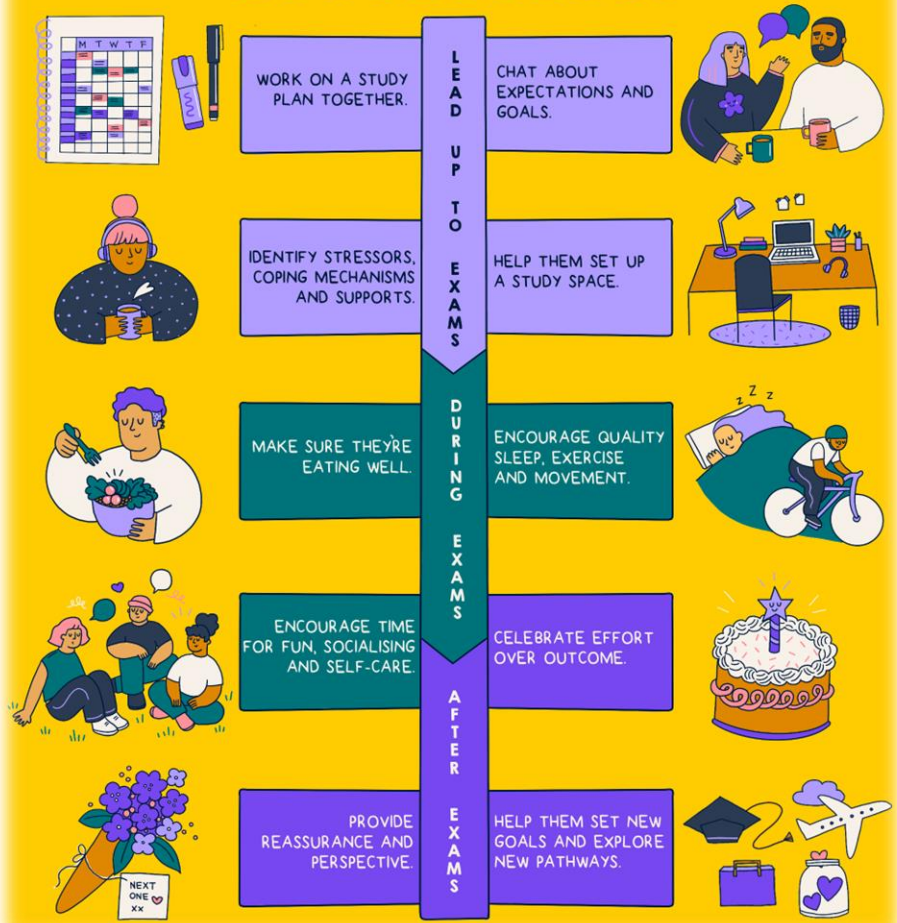

High Expectations - Intervention

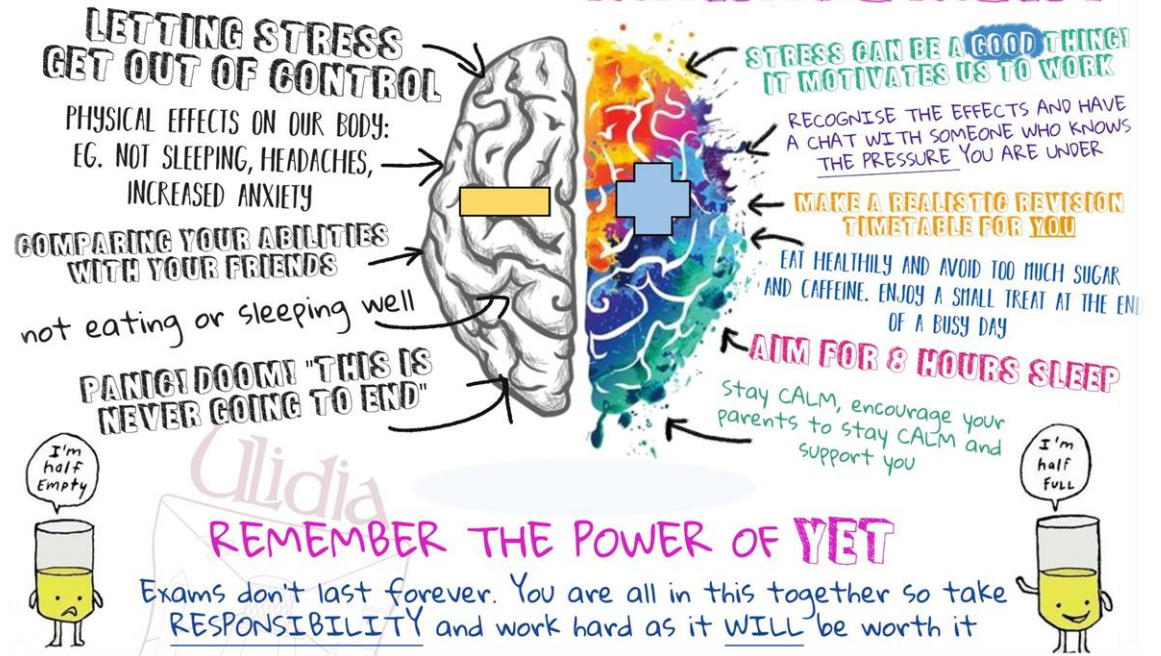

GCSE Grades

Current Grading Structure <small>(Introduced in 2019)</small>	VS	Old Grading Structure
9		A*

Law taster: murder for necessity

Join the University of Manchester for a law taster designed to help you explore conflicts between the law, survival and morality. Dudley and Stephens murdered a fellow seaman (Parker) in order to save themselves from starvation whilst stranded at sea in 1884. They were found guilty of murder. In this webinar we will explore this historic case, and consider whether taking an innocent life to save your own justifies committing murder, even if it is under the extreme necessity of hunger.

When: Monday 14 October @ 17:30 UK time

Duration: 45 mins

Let's explore: sociology

Part of Explore your future: with Lancaster University event series >

Sociology is about exploring the big issues in today's world. Why do gender inequalities still exist? How does our consumption affect our sense of identity? What will be the sociological

One of the most important features to Y11 is the option to take taster sessions with different universities in the country. These taster sessions will provide students with an insight to the courses, but also the course recommendations for A Level choices etc.

courses in areas they are interested in.

An introduction to apprenticeships

Find out what they are, what they pay and who can apply

This guide is taken from the Know How Library, a tool on the Unifrog platform. Not sure whether to take the ACT or the SAT? Or how to give the perfect Oxbridge practice interview? The Know How Library is an easily searchable library of 100s of expert guides for both students and teachers, covering every aspect of the progression process. It is included as standard for Unifrog partner schools.
