Key

Grade 9 ~ Grade A**

Grade 8 ~ Grade A*

Grade 7 ~ Grade A

A grade 5 is considered a strong pass and a grade 4 is considered a standard pass at GCSE.

As you can see, we do not offer a 'one size fits all' approach. We know you as an individual and we will support you to achieve your aspirational goals by working closely with you and your family.

At STA, we have established a legacy of success and our new Year 13 are set to break all records with students applying to Oxbridge and top Russell Group Universities to read Medicine, Law, Computer Science and other very competitive courses. What will you be doing when you leave us at the end of Year 13? *"Life is an open book, full of blank pages. You get to write the story as you go."*

We are really looking forward to seeing you on Friday 3 September with all of your summer work completed and ready to submit to your teachers.

Best wishes

Mrs I. Warwick
