## Greek Orthodox School

3 November 2023

Dear Parent/Carer,

I am writing to you regarding a road closure close to our current school site next week.

Owing to the installation of cabling for a new electrical sub-station by UK Power Network on the site of North London Business Park which will provide power for our new school building, a section of Brunswick Park Road will be temporarily closed from Monday 6 to Thursday 9 November 2023.

Parents/carers who drop off their child/children at our school will want to leave extra time for their journey on these days or if your child takes the 382 bus, please ensure that they make alternative arrangements or be prepared to walk from a bus stop further away from the usual bus stop. Parents/carers may also wish to consider dropping your child off further away from the school (ride and stride) to alleviate traffic congestion on these days.

Obviously, we are extremely excited that the works for the new building are progressing well, but we would like to apologise for any inconvenience caused by this essential work during these days.

Please see map below for diverted route.

Yours sincerely,

Dr Philip Hills  
Headteacher
