Message from Headteacher

It's been wonderful to welcome everybody back and in particular to meet our new Year 7s!

We have had a lot of last-minute enquiries about joining the school, which is very encouraging. It might have something to do with our record GCSE grades – Year 11 achieved almost half a grade of 'value added' per GCSE subject, which is especially impressive in a year where nationally, marking was much tougher, as marking reverted to 2019 levels. It has been excellent, too, to welcome back so many of a talented Year 11s to our Sixth Form.

I was delighted, too, to welcome numerous students via our New Brunswick Park Road entry point, which will be open to all students in Building 5 on a given day from 8.00am in the morning until 8.25am and then in the afternoon from 3.00 - 3.20pm. You can see the steel frame of the new Sports Hall rapidly taking shape along Brunswick Park Road, opposite the entrance to the New Southgate Cemetery.

We started the Year with an assembly on marginal gains and how establishing winning habits inside and outside of the classroom was the key to long-term success. Everything that you as a parent can do to support your child with regular mealtimes and bedtimes and encouragement to polish off a substantial chunk of homework with an hour of returning home will boost your child's chances of success. We talked, too, about how, with God's grace, we can all work on being the person that God wants us to be and achieving our full potential.

So that we can prepare for our **Open Evening Event**, the school will close at 12.35pm on Tuesday 19 September 2023. Students in receipt of free school meals can collect these from the school canteen at that time. This will allow staff to prepare classrooms and displays for the evening.

Also, please note that on Wednesday 20 September 2023, students will have a later start to the school day so that staff can ensure that classrooms are ready for lessons on that day. Students must be in school at 10.35am where they will be registered in tutor time.

The Nativity of the Holy Theotokos

On September 8 in the Holy Orthodox Church we celebrate the Nativity of our Most-holy Lady, the Theotokos and Ever-virgin Mary.

The Holy Virgin Mary was born of aged parents, Joachim and Anna. Her father was of the lineage of David, and her mother of the lineage of Aaron. Thus, she was of royal birth by her father and of priestly birth by her mother. In this, she foreshadowed Him Who would be born of her as King and High Priest. Her parents were quite old and had no children. Because of this they were ashamed before men and humble before God. In their humility they prayed to God with tears, to bring them joy in their old age by giving them a child, as He had once given joy to the aged Abraham and his wife Sarah by giving them Isaac. The Almighty and All-seeing God rewarded them with a joy that surpassed all their expectations and all their most beautiful dreams; for He gave them not just a daughter, but the Mother of God. She was Mary, Full of grace, Blessed among women, the Temple of the Holy Spirit, the Altar of the Living God, the Table of the Heavenly Bread, the Ark of God’s Holiness, the Tree of the Sweetest Fruit, the Glory of the race of man, the Praise of womanhood, and the Fount of virginity and purity.

Through her intercessions, O Lord Jesus Christ our God, have mercy upon us, and save us. Amen.

Site Update – Drop-off and Pick-up

For up-to-date news on our new school building and site, please click on the following link: [St Andrew The Apostle Plans.](#)

You will have seen the exciting developments on the building of our new school over the summer. Further to the letter that went to parents earlier this week, we are pleased to inform you that there will be pedestrian access for students via Brunswick Road. Our construction

company (B&K) has created a pathway from the Brunswick Road to Building 5, which will aid access to students who live on the Brunswick Road side of the school for the days that they are timetabled in Building 5.

Please note the following regarding the use of this entrance:

- It is exclusively for students, and parents must drop-off at the start of the pathway.
- Parents who have appointments at the school must enter via Oakleigh Road so that they can enter through the visitors' entrance and sign in at reception.
- Entrance to the pathway will be open from 8.00am to 8.25am and from 3.00pm to 3.25pm. These times will be strictly adhered to.
- Students who are timetabled in Building 4 must enter the North London Business Park through the Oakleigh Road entrance.

All other arrangements for dropping off students by car will continue. Therefore, if you wish to drop your child off at school, please access the North London Business Park via Oakleigh Road, continuing around the multi-storey car park and dropping off in the bays in front of the multi-storey car park. If you are collecting students at the end of the day, you may park in white bays on the ground floor of the car park, but please do not arrive before 2.45pm and ensure you leave before 3.20pm.

We will review the usage of this entrance in the opening weeks of the school term. If you have any questions or suggestions regarding the changes mentioned above, please contact the school through the usual channels.

Details of access and drop off points can be found here: <https://www.standrewtheapostle.org.uk/how-to-find-us>
