

## Summer Photo Challenge

This summer we challenge you to get out and about, safely and preferably with an adult, in your local area, or even further afield if you would like. The challenge for you is to take pictures of your experiences along your way.

There are two main categories for the images: The Natural World and The Human World; there are many ways of interpreting these categories and we look forward to seeing the pictures taken.

Images should be emailed to [admin@standrewtheapostle.org.uk](mailto:admin@standrewtheapostle.org.uk) with your full name and category entered. We would also like to create a display so images should be printed off for this in either 5x7 or 6x8 and mounted on plain card no larger than A4.
